mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.
Officers retired with a gratuity.
Officers of the late Royal Naval Artillery Volunteers.
Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

By command of their Lordships,

O. MURRAY.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1928-9 of the King's Regulations and Admiralty Instructions of 1913.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty. By command of their Lordships.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

The amount of money to be paid in commutation will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £2 within 30 days after receiving that notice, but if the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

11. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

12. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his Pension or the value thereof, and to imprisonment, or fine, or both.

13. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided:—

(c) That they are otherwise eligible for Pensions.

14. The Children of Officers who commute will be granted Compassionate Allowances according to the usual scale, provided:—

(a) That they were born before date of commutation.

(b) Their fathers' names were on the List of the Navy at the time of death.

15. The Pensions to Widows of Officers who marry after commutation, and the Compassionate Allowance to children born after commutation, will be reduced in proportion to the decrease caused in the Pension of the Officer by such commutation.

16. The claims of Officers to be awarded Naval, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

17. Retention of the names of Naval and Marine Officers who have already commuted the whole of their Pension on the List of Commissioned Officers will depend upon their reporting to the Secretary of the Admiralty, in writing, annually, between 1st January and 31st March, the fact of their being alive.

18. The retention in the Army List of the names of Marine Officers who have already commuted the whole of their Pension will depend upon their reporting themselves, in writing, half yearly, to the Secretary of the War Office, Whitehall.

19. Officers who have already commuted the whole of their Pension are not eligible as Patients in Naval Hospitals, but partial commutation does not prevent admission as such.

19. The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his full, half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited in cases where the full, half, and retired pay and gratuity depend upon actual service.

20. An Officer placed upon the retired list is in no case to be replaced on the Active List.

21. An Officer dismissed the Service by sentence of Court-Martial for misconduct, or allowed to resign his commission to avoid trial by Court-Martial, may, at the discretion of the Admiralty, be granted a compassionate allowance, provided that such allowance shall in no case exceed one-third of the amount of half-pay to which the Officer was entitled at the time of removal, and provided also that such allowance shall not in any case exceed £100 per annum.

22. All service for the purposes of gratuity, pension and retirements to count from the age of 18 (Prior to the issue of Order-in-Council of 29th November 1881, the age was 20, except in the case of Officers who entered the service prior to 1st April 1870, and who, under Order-in-Council of 5th of February 1877, retained the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18).

23. An Officer retired may, at his own request and with the consent of the Admiralty, compound his retired pay under the rules laid down by the Lords Commissioners of His Majesty's Treasury for Administering Act 52 and 33 Vict., cap. 32.

UNIFORM REGULATIONS FOR OFFICERS OF THE FLEET.

The following are the descriptions of the *Uniform to be worn by the Officers of the Royal Navy:—

EXTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. I.—GENERAL REGULATIONS.

4. The Officers, Men, and Boys of His Majesty's Fleet and the Royal Marines shall wear such Uniforms as the Admiralty in pursuance of His Majesty's pleasure shall from time to time direct. *See 154 et seq. (Uniform Regulations).*

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

XVI.—UNIFORM.

154. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List.

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2. At Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying. Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Dress Balls.

3. Officers are not to wear Naval Uniform at Fancy Dress Balls, except at those given by the Governor of Malta. They are not prohibited, however, from appearing at such Entertainments elsewhere in uniform of a date anterior to 1843.

Plain Clothes.

4. Officers may wear plain clothes on ordinary leave.

Subordinate Officers.

5. Subordinate Officers when on leave within the British Empire are to wear the uniform of their rank; but permission may be granted to them to wear plain clothes when going into the country, or for recreation, or for exercise.

Foreign Ports

6. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they have no right to expect to be recognised as British Officers.

Marines.

7. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers not on full pay.

156. Except by special direction of the Admiralty Officers on the Active List not on full pay and Officers on the Retired and Reserved Lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks within the British Empire on State and other occasions of ceremony only.

XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress, and when so ordered, with white undress. With full dress the Ribbon should be worn under the epaulette and sword belt; with white undress under the shoulder strap, and with ball dress under the coat and over the waistcoat. One ribbon and badge only is to be worn, and this is to be the senior ribbon and badge, unless a junior should appear to be more appropriate to the occasion. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With white undress (except when decorations are ordered to be worn) and with other uniform coats, except full dress, ball dress, mess dress, and mess undress, the ribbon of a Companion of the Order is to be worn; with mess dress, miniature Badges but not Stars are to be worn in lieu, and with mess undress, Ribbons of miniatures.

Knights Commanders and Commanders.

4. The insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress and ball dress, and, when so ordered, with white undress. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the insignia of more than one Order be so worn, one ribbon and badge only is worn round the neck as described above. With full dress the ribbon and badge so worn is the senior, unless a junior appears to be more appropriate to the occasion; the other badges are worn one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With white undress the senior badge is worn round the neck unless a junior appears to be more appropriate to the occasion; the other badges emerge from between the buttons of the coat as in full dress, but commencing one inch below the senior badge. With ball dress, the senior badge only is worn round the neck, unless a junior badge should appear to be more appropriate to the occasion. All badges are worn on the breast in miniature.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With white undress, except when decorations are ordered to be worn, and with other uniform coats, except full dress and ball dress, the rules laid down in clauses 2 and 3 are to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway, Westminster, S.W.

Stars of Orders.

6. Stars of Orders are worn on the left side of the coat. Not more than four are to be worn and the order in which they are worn is to be as prescribed in Clause 9.

Badges of Companions and Members of Orders, and Medals.

7. The Badges of Companions (other than Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire) and Members of Orders are to be worn, together with Medals, with full dress.

8. With all other uniform coats the rules laid down in clause 3 are to be observed.

‖ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

‡ If more than one of these medals is awarded for the same act of gallantry, only one medal may be worn, *viz.*, that which appears highest in the list.

The above order of Decorations applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, *e.g.*, the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Orders.—In order of date.

c. Foreign Decorations.—In order of date.

d. Foreign Medals.—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck.

The ribbon of a decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Bar for Decorations, &c.

11. The several Decorations, Badges and Medals, are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing with the end furthest from the shoulder.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap the highest showing in full. With ball dress and mess dress the bar is to go over the lapel if necessary, but not beyond.

Ribbons when Decorations are worn.

12. When Decorations, Orders and Medals are worn, the Medal ribbons are to be of the following lengths:—

Full size	1½ inch
Miniature	1¼ inch

Ribbons of these lengths carry 4 clasps. If more than 4 clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp in the case of full-sized medals, and ⅛ of an inch in the case of miniatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer, be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing with the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, &c., are not worn.

13. When Decorations, Orders and Medals are not worn, the ribbons worn are to be of the following lengths:—

Full size	½ inch
Miniature	⅜ inch

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ¼ inch intervening between the rows.

Ribbons of Orders and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniature Decorations, Badges and Medals.

14. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear on the bar, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong. Only one set of miniatures need be maintained. The miniature of companionship will not be removed when the ribbon or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc.

Decorations, &c., may be worn with plain dress.

15. Orders, miniature Decorations and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

Retired Officers.

16. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Surgeon Lieutenant-Commander, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGE AT DARTMOUTH, AND ON BOARD THE TRAINING SHIP.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together, but after passing for the rank of Lieutenant, or at an earlier stage, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £10 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the fees charged mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding - - - 1st December.
Do. do. May do. - 1st April.
Do. do. September do. - 1st August.

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May and 15th September following, respectively, *e.g.*

Candidates born on or between—	Eligible for Examination in—	Eligible for entry in—
1st Aug. (1903) and 30th Nov. (1908) - -	Mar. (1922)	May (1922)
1st Dec. (1908) and 31st Mar. (1909) - -	July (1922)	Sept. (1922)
1st Apr. (1909) and 31st July (1909) - -	Dec. (1922)	Jan. (1923)

6. All Candidates (except those being educated in the Dominions or Colonies, who have received special recommendations from the Dominion or Colonial authorities under para. 9) will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January entry before 1st October.
Do. May do. do. 1st January.
Do. September do. do. 1st May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 7) and a Qualifying Examination in educational subjects (*vide* para. 8).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. Details of the physical requirements of Candidates are shown on page 2313. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. The Appeal Board will consist of the Director-General of the Medical Department of the Navy, together with a physician, or a surgeon, or a specialist nominated by the Medical Consultative Board according to the nature of the alleged disqualification or disqualifications.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the date of the Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

8. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates).

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Dartmouth, at the beginning of the ensuing term.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on the first entry.

(2) The remission of fees at Dartmouth.

(3) The remission of private allowance in the Training Ship.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Educational Allowances.

11. Naval Cadets will undergo a course of instruction at the R.N. College, Dartmouth, for a period of rather less than four years. This period will include eleven terms. On passing out of Dartmouth they will continue their training for a period on board a Special Training Ship and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the College:—

16th Jan. to 8th Apr. Four weeks at Christmas.
6th May to 4th Aug. Four weeks at Easter.
22nd Sept. to 21st Dec. Seven weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets while at the Royal Naval College, Dartmouth, and on board the Training Ship, shall be subject to the Regulations for the time being in force respecting Cadets.

15. For all Cadets entering under these regulations payment will be at a rate not exceeding £150 per annum for the period under training at the College, to be paid each term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

* *Parents abroad will, however, be furnished with forms of application, prior to this selection if they so desire.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the College, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Ship is 1s. a day, and that of Midshipmen is 5s. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Ship. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Midshipman. Private allowance will be claimed periodically in advance by the Accountant-General of the Navy.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Instructions to Cadets joining the College for the first time will be sent by the Commanding Officer. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Royal Naval College, Dartmouth," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Training Ship without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.
Physics and Chemistry.
Mechanics, and applied Mechanics with laboratory work.
Applied Electricity, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery in the Training Cruiser.
Navigation.
French or German.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Bible Study.
Drill and Physical Training.

A proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the College, and also in the Training Ship.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination, and marks are also awarded for Officer-like qualities.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Ship which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or

(2) Their conduct is unsatisfactory, or

(3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Ship, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

O. MURRAY.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE

1. The number of Naval Cadetships offered for competition under the following regulations will be notified in the Press from time to time.

2. Examinations will be held annually in June: Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of July following the examination. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W. 1, not later than the 1st April, preceding the examination. A form of

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried;

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy. Travelling and other expenses incurred in connection with Interview and Medical examination cannot be recovered from the Admiralty

A Candidate who has passed the medical test for the Royal Air Force, within a period of 6 months before his appearance for interview, will not be required to undergo further medical examination.

Such candidates will be required to produce an Official Certificate of the result of the Royal Air Force examination.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W.1.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to first appointments in the Royal Marines, in which case he must express definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army who have been killed in action, or have died of wounds received in action, whether afloat or ashore or have died through the destruction of their ship or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £60 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Education Allowances.

9. Successful candidates will be appointed Naval Cadets to undergo a course of training for a period of 12 months, divided into 3 terms, of which the first two will be spent in H.M.S. Antrim, at Portsmouth, and the third in H.M.S. Thunderer. Time will be awarded for the Course in the Training Ships and will count towards promotion to Sub-Lieutenant according to the following scale,

For a first class 2 months.
For a second class 1 month.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

On completing this course, and passing out satisfactorily they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Dartmouth, but the Services in the subordinate rank, will be short with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about 6 months more on attaining the rank of Lieutenant.

10. On attaining the rank of Lieutenant the Officers entered under the Special Entry Scheme will be under the same regulations in regard to promotion as the Officers entered through Dartmouth, and will have exactly the same opportunities for advancement to the highest ranks.

The difference in age in the early ranks between these Officers and the Dartmouth entries will militate against the prospects of promotion of the former, and, as promotion to the ranks of Commander and Captain is by selection, on merit, special entry Officer who receives early promotion would reduce or overtake this difference in age.

11. All Naval Cadets entered under these Regulations are trained together but, after passing for the rank of Lieutenant or at an earlier stage, they will be required to serve either as general Service Officers or in one of the special branches, viz., either Engineering, Gunnery, Torpedo, Navigation or other special duty. As far as possible Officers selected for special service will be allowed to enter the Branch in which they will qualify, subject to the proviso that all Branches are satisfactorily filled.

12. Parents or Guardians are required to make a private allowance of £50 per annum to Cadets from the time they join the Naval Service until they attain the rank of Midshipman. This allowance, together with their pay and allowance for messing will normally be sufficient to meet their expenses, but should this not be the case, the deficit, which will be of small amount would be chargeable to the parent or Guardian. On reaching the rank of Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

13. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 5s. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 10s. a day. The commencing rate of pay of a Lieutenant reached after at most two years as Sub-Lieutenant is 17s. a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 10s. a day.

*Following the Army Regulations, a Candidate may say that if he is not among the first (so many successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Naval Cadetship.

4. The Parent or Guardian of every Cadet is uired to provide an outfit under the Regulations force. A list of the outfit required under present gulations is contained in Appendix II. The out- costs about £65. Additional uniform required on ng rated Midshipman is estimated to cost about .

5. All travelling expenses for Cadets will be vanced by the Paymaster, but will be charged to Cadet.

uch money as may be required by Cadets for special circumstance will be advanced by the ymaster under the authority of the Commanding icer.

5. Parents or Guardians of a Cadet must, in all es of a permanent change of residence, inform the miralty and the Commanding Officer of the aining Cruiser or Establishment.

7. A Cadet may be required to be withdrawn at time, if in the opinion of the Lords Commission- of the Admiralty:—

(1) he fails to reach a satisfactory standard, or
(2) his conduct is unsatisfactory, or
(3) he is considered unsuitable for the Naval Service.

APPENDIX I.—PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz.—6/6, and be able to read D=0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D=0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz.:—6/6; and not less than 6/12, without glasses, in the other: the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/6 in one eye, and 6/12 in the other, except that Officers may be allowed to remain in the Service Engine Room duties only, if they elect to specialise so long as their eyesight is not below 6/9 in one eye and 6/12 in the other. A Candidate who has passed the Medical Test for the Royal Air Force, within a period of 6 months before the date of the Civil Medical examination for the Royal Navy will not be required to undergo further medical examination.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate or teeth; many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or loss of continence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly exists or is likely to form, a serious impediment to the efficient performance of duty, e.g., when associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or deformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional disease.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† *i.e.*—Seven teeth defective or deficient in permanent set under 17 years of age on the date of entry, seven defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by stopping or repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess a minimum of sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

2. He must declare:—

(1) His age and date and place of birth.
(2) That he is of pure European descent* and the son of either natural born or naturalised British subjects.
(3) That he labours under no mental or constitutional disease or weakness, nor any bodily imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.
(4) That he is ready to engage for general service at home or abroad, as required.
(5) Whether he holds, or has held, any commission or appointment in the public services.
(6) That he is registered under the Medical Acts, giving the date of his registration as a medical student, or of his beginning professional study.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W.1., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of each school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability, and fitness to hold a commission in the Royal Navy.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

Digitized by Google

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Dominion or Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 3 per cent. and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted.

Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers or Men, but who have not been members of the Officers Training Corps, will be accorded 3 per cent. credit if their services are under 1 year, and 6 per cent. if over that period.

10. A Candidate will not be allowed to compete at more than two examinations.

Regulations as to Acting Surgeon Lieutenants.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer in a Civil Hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. 15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

(ii) A second course of three months' duration for officers of any seniority.

Course (i), which is compulsory for all Surgeon Lieutenant-Commanders will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Surgeon-Commander. The course is to be taken as the exigencies of the Service permit, but not before an Officer has the seniority of two years as a Surgeon Lieutenant-Commander. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

(*b*) Operative Surgery.
(*c*) Anæsthetics (practical).

A Surgeon Lieutenant Commander who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful, he will be compulsorily retired, with such gratuity as the Admiralty may see fit to grant up to a maximum of £1,000, but not exceeding £100 for each year's service.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeon Lieutenant-Commanders going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (ii) is not compulsory, but is designed to afford officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

Regulations for the Reserve of Medical Officers.

(Established under Order in Council of the 11th August, 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed to withdraw from the Service after 4 year's full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—*(see below).*

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

(i) He will be granted a gratuity of £500 on passing into the Reserve.

(ii) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.

(iii) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 8 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years served under the conditions referred to in (iii), by renouncing his retaining fee for his last 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 29*s.* a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £20.

(5) Whether he holds, or has held, any commission or appointment in the public services;
(6) That he holds a recognised degree in Dental Surgery, and is registered under the Dental Act as qualified to practice dentistry in Great Britain and Ireland, giving the date of his registration as a Dental Student, or of his beginning professional study;
(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director-General, Medical Department, Admiralty, S.W.1, to permit of reference to the candidate's Dental School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the candidate's character, conduct, professional ability, and fitness to hold a commission in the Royal Navy.

5. The candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination, which will be held twice a year. (*See heading Examinations, Section* 15.)

7. The appointments announced for competition will be filled from the list of qualified Candidates arranged in order of merit; but should it at any time be considered expedient to grant commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than two Candidates according to requirements, specially recommended by the governing bodies of such Dominion or Colonial Dental Schools as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the candidate's Dominion or Colony or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps, will be credited at the entrance examination with additional marks as follows: Candidates in possession of Certificate A will receive 3 per cent, and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted. Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers, or men, but who have not been members of the Officers' Training Corps will be accorded 3 per cent. credit if their services are under one year and 6 per cent. if over that period.

10. A candidate will not be allowed to compete at more than two examinations.

11. A candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant (D) in the Royal Navy, and will be required to pass through such courses as the Admiralty may decide. (*See under the heading Examinations*).

At the end of the courses the Acting Surgeon Lieutenant (D) will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant (D) in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon-Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Haslar Course, will, if he so elect, be allowed a second trial at the next examination and, should he qualify, will be placed at the bottom of his original list; but should he again fail his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed full pay from Naval funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement

12. A Gold Medal will be awarded as a prize in connection with these examinations; and the gold medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A candidate who at the time of passing the examination for entry into the Dental Branch of the Royal Navy holds or is about to hold an appointment as Dental Officer in a recognised civil hospital may be allowed to serve in such civil appointment, provided that the period of such service after the date of entry into the Royal Navy does not exceed six months. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Dental Officer in a civil hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. Acting Surgeon Lieutenants (D) under training may, if they wish, provide themselves with the articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress) (*vide* Quarterly Navy List), omitting white trousers, sword and belt. Course of Study and Examination for Acting Surgeon Lieutenants (D).

16. The course of instruction for Acting Surgeon Lieutenants (D) will be one month in duration and will take place at R.N. Hospital, Haslar. A Senior Dental Officer will be appointed on the Staff of the Surgeon Rear-Admiral, Haslar, to superintend these studies and fill the post of lecturer. At the conclusion of the Haslar course an examination will be held as detailed in paragraph 11.

The seniority of Surgeon Lieutenants (D) on entry will be determined by the sum total of the marks they obtain at the London examination and the examination at the conclusion of their probationary period as Acting Surgeon Lieutenant (D), their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Dental Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Dental Officer at such civil hospital is over they will join the next "Acting Surgeon Lieutenants" (D) course, and will be required to obtain qualifying marks. Surgeon Lieutenants (D) entered without competition will take seniority next after the last Surgeon Lieutenant (D) entered at the same time by competition.* Particulars as to pay, retirement, etc. are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

17. A Post Graduate Course of three months' duration will be allowed to Surgeon Lieutenant-Commanders (D) of over two years' seniority. The Surgeon Lieutenant-Commander (D) going through this course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President, and the Dental Assistant to the Medical Director-General, Admiralty. This Course is not compulsory but is designed to afford Senior Officers the opportunity of refreshing their general knowledge of dentistry, and making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or any examination, but a report will be made to the Medical Director-General by the Dental Assistant to the Director-General at the end of the course.

Under very special circumstances a Dental Officer taking this course may be allowed, by permission of the Medical Director-General, to take the three months' course at the Dental Hospital outside London at which he formerly studied. If this is approved the Dean of his Dental Hospital will be asked to forward to the Medical Director-General, Admiralty, a confidential report on his abilities, and particulars of his attendance during his course.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. This notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 2343-4.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type: but if in any case an Educational Authority is fully satisfied that the candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examination papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry, Artificer Apprentices will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth, where they will be attached for training. During their training Artificer Apprentices will be berthed and victualled in this Establishment and will be subject in all respects to Naval Discipline. Under certain conditions and at the request of their parents or guardians living in the immediate neighbourhood, Artificer Apprentices may be allowed leave to stay at their homes on alternate Saturdays and Sundays.

EDUCATION AND TRAINING.

22. The duration of the Training will be about two and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Artificer Apprentices who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

Part I.

23. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

Part II.

will comprise Applied Mechanics, Workshop Appliances, Electricity, Marine Engines and Boilers, and Mechanical Drawing.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

24. Artificer Apprentices who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention when they will be re-examined after a further period of training.

Further details respecting the entry and training of Artificer Apprentices in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary of the Admiralty, Whitehall, London, S.W. 1.

REGULATIONS FOR SCHOOLMASTER BRANCH, ROYAL NAVY.

The Schoolmaster Branch will in future be a branch by itself, and will not be considered comparable with other Warrant Officer branches, except in so far as the following regulations deal with rank:—

I.—Schoolmaster Candidats.

1. Schoolmasters will be entered either direct from the shore or by transfer from other ratings.
2. Candidates must have such qualifications as will enable them to undertake the preliminary course of instruction.
3. They must be over 21 years of age and be physically fit.
4. They will be regarded as on probation for twelve months from date of entry, during which period they will be liable to be discharged, or to revert to their original rating, at any time if found unsuitable.
5. They will, as "Schoolmaster Candidates," hold the rank of Acting Warrant Officer.
6. An outfit gratuity of a total amount of £40 will be payable, £20 being granted on entry and the balance when the Officer has completed his period of service as Probationary Schoolmaster and has been confirmed as Schoolmaster (*see* Section II.)
7. They will be given a preliminary course of instruction and training. The course will include—
(*a*) Disciplinary drill and physical training.
(*b*) Instruction in practical mathematics, navigation, mechanics and electricity, and in the Service application of these subjects; in the elements of mechanical drawing; in the elementary theory of the Steam Engine and of internal combustion machinery.
(*c*) Training and practice in class teaching and organisation, especially n regard to the conditions of schoolwork afloat.
(*d*) Instruction in Fire and Torpedo Control and other subjects to fit them for their Action Station.
(*e*) Information in regard to Service ways and customs, ranks, ratings, their distinguishing marks; a brief survey of Naval History; records of famous ships; Service technical terms, &c.
8. The course will last 22 working weeks, with 4 weeks' leave.
9. An examination will be held at the end of the fourteenth week, followed by 2 weeks' leave. Candidates whose work in this examination is unsatisfactory will be discharged, or will revert to their original rating. Those who reach a standard of special merit and are recommended as likely to prove schoolmasters of exceptional ability will be advanced to "Probationary Schoolmaster" forthwith from the date of examination and be given more advanced instruction.
10. The remainder will continue their previous work and take a final examination at the end of a further 8 weeks' instruction, followed by 2 weeks' leave.
Those who fail to qualify in this examination will be discharged, or will revert to their original rating, unless specially recommended for an additional period of 8 weeks' instruction, in which case the period of 12 months' probation will be extended by a like amount.
Those who reach the qualifying standard will be advanced to "Probationary Schoolmaster" from the date of examination, their order of seniority being that of the final result list.
11. The "preliminary course" will be held in H.M.S. "Defiance" as at present, or at some other suitable centre.
12. In the case of a man who reverts to his original rating, the time served as Schoolmaster Candidate or Probationary Schoolmaster will count as time served in the rating held prior to appointment to the Schoolmaster Branch.

II.—Probationary Schoolmaster (Rank of Acting Warrant Officer).

1. As far as is practicable, Probationary Schoolmasters will be appointed to Home Service seagoing ships as "additional" to work under an experienced Schoolmaster.
2. They will be reported on by their Commanding Officers, on the completion of 5 months' service afloat, as to their fitness for confirmation as "Schoolmasters."
3. Schoolmasters not recommended for confirmation on the completion of 5 months' service afloat will be discharged to the shore or revert to their original rating, unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding 6 months.
4. Seniority as Schoolmaster, when confirmed in the rank, will be reckoned as from the date of promotion to "Probationary Schoolmaster."
5. The remainder of the outfit gratuity will be granted on confirmation (*vide* Section I., para. 6).

III.—Schoolmaster (Rank of Warrant Officer).

1. All Schoolmasters will be required to take a short re-qualifying course at about the completion of 7, 13, and 19 years' service from entry.
2. Classes for this purpose will be held half-yearly, and last 6 weeks.
3. Schoolmasters who fail to reach the required standard on completion of a re-qualifying course will be allowed to take the course a second time after an interval of not less than 12 months.
4. Schoolmasters who fail to pass will not be eligible for further increments of pay or for advancement to the rank of Commissioned Officer from Warrant Rank, having regard to the fact that they will be available only for minor appointments. Provision is made in Section XII. for optional retirement with a gratuity

IV.—Schoolmaster (Rank of Commissioned Officer from Warrant Rank).

1. Schoolmasters will be advanced "automatically" to the rank of Commissioned Officer from Warrant Rank on the completion of 20 years' service, provided that they are recommended and have obtained a pass in each of the three re-qualifying courses.
2. It is to be clearly understood that, as the Schoolmaster Branch are entered as Acting Warrant Officers and no longer serve as ratings, the rule in other branches which allows of automatic promotion to Commissioned Officer from Warrant Rank after 10 years' service in Warrant Rank, subject to satisfactory record, does not apply to this branch.

V.—Advanced Course.

1. Schoolmasters who are recommended for early advancement as having shewn marked ability, both as teachers and in organising the work of their ship, and who reach the necessary standard in the first re-qualifying course—or subsequently in special cases—will be eligible for selection for an Advanced Course of instruction.
2. The course will include:—
More advanced instruction in technical subjects, and in their application to the special work of the Gunnery, Torpedo, Navigation, and Wireless Telegraphy Schools, and of the Air and Submarine Services.
General information as to the qualifications required for the various higher ratings and Warrant Ranks.
Lectures on the training and development of the mind.
Information in regard to the duties of the Squadron Schoolmaster.
3. The course will last 22 weeks.
4. Those who complete the course and examination satisfactorily will have their names distinguished by a † in the list of Schoolmasters, and will be eligible for appointments on the "Special List" (*see* Section VI.)

VI.—"Special List" of Higher Appointments.

1. A list, to be known as the "Special List," has been prepared of those appointments which carry special responsibilities or call for technical knowledge of an advanced character.
2. Schoolmasters who have passed the Advanced Course and are appointed to positions on this "Special List," or are appointed acting temporarily

to such a post by the Senior Officer, will receive additional remuneration of 1s. a day (*see* Section VII). This allowance will be payable under the same conditions as specialist allowances (*vide* Article 1407, King's Regulations).

VII.—STAFF FOR ORGANISATION AND SUPERVISION.

1. In order that there may be made available a staff of Schoolmasters to fill positions equivalent to those of "Headmaster" and of "Senior Assistant," and that these may be given the status requisite for their special duties, it has been decided to institute two higher grades to be termed "Headmaster" and "Senior Master," to be confined to a limited number who have been selected by a gradual process of elimination as specially fitted for these responsible positions.

Officers of these grades will hold the ranks of Lieutenant and Commissioned Officer from Warrant Rank respectively.

Senior Master.

2. The number of Senior Masters will not exceed, in the normal course, 25 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit the establishment will be determined by the number of appointments in which the services of a Senior Master are required.

3. In the Schoolmaster Branch, Senior Masters will rank above all "Schoolmasters."

4. Appointments as Senior Masters will be made only into vacancies, and will be by selection from among those Schoolmasters who have passed the Advanced Course, have completed 1 year's satisfactory employment in a "Special List" appointment, and are recommended as possessing the special qualities requisite for a supervising appointment.

5. Senior Masters will be considered as "Acting" for the first 12 months of their service in that grade.

VIII.—HEADMASTER (ACTIVE LIST.)

1. Senior Masters with not less than 3 years' service as such will be eligible for promotion to Headmaster on the Active List.

2. The number of Headmasters on the Active List will not exceed, in the normal course, 8 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit, the actual number at any time will be determined by the number of appointments in which the services of a Headmaster are required.

3. Promotions will be made by selection as vacancies occur.

VIIIA.—HEADMASTER (RETIRED LIST.)

1. Senior Masters who retire after not less than 10 years' service in that rank will be eligible for promotion to the rank of Headmaster on the Retired List.

2. Similar promotion, as a reward for long and zealous service, will be allowed in the case of specially recommended Schoolmasters who retire after not less than 23 years' service.

IX.—WIDOWS' PENSIONS, WOUND GRATUITIES, &C.

Widows' pensions, wound gratuities, compassionate allowance, &c., will be according to the scales for Warrant Officer, Commissioned Officer from Warrant Rank, Lieutenant and Lieutenant Commander respectively.

X.—UNIFORM.

The Schoolmaster Branch will wear the uniform of Officers of their respective ranks, as laid down in W.O. 3502/18, with distinction cloth of light blue.

ENTRY OF DOCKYARD APPRENTICES.

EXTRACTS FROM THE REGULATIONS FOR THE ENTRY OF APPRENTICES TO THE VARIOUS TRADES IN HIS MAJESTY'S DOCKYARDS AT HOME.

Admiralty S.W.
April, 1911.

1. Vacancies for appointments as Apprentices to the various trades (including Shipwrights, Engine, Ship and Electrical Fitters, Boilermakers, Coppersmiths, Founders, Joiners, Painters, Patternmakers, Plumbers, Ropemakers, Sailmakers, Smiths, &c.) in His Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, Pembroke, and Rosyth are open to public competition, and examinations for these appointments are held in April in each year (see par. 6). The number of vacancies in the respective trades in each Dockyard will be fixed before each examination, but no undertaking is given that any apprenticeship will be offered for any of the above-named Dockyards or in any trade.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March *following* (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an Apprentice at more than one Dockyard.

3. *Special Entry by Nomination.*—A limited number of vacancies for Apprentices will be reserved annually at the several Dockyards for candidates nominated by the Admiralty on the recommendation of the Superintendents of the Home Dockyards.

These nominations will be confined to the sons of those who have claims on account of service in the Royal Navy, Army or Royal Marines or in civil employment in Naval Establishments.

Applications for such nominations should be made to the Superintendent of the Dockyard in which the candidate desires to be entered, not later than the 1st January in each year.

The Candidates who are recommended for nomination will be required to compete at the open competitive examination in the ordinary way and the nominations will be awarded by the Admiralty to those recommended candidates who are placed highest on the examination list in order of merit at the respective Dockyards (excluding those who are successful in the open competition).

Nominations will not be awarded to candidates who obtain less than 700 marks at the competitive examination.

Nominated candidates will be required to satisfy the conditions in regard to age, physical fitness, etc., laid down for candidates at the open competitive examinations.

4. *Age and Character.*—The Candidates, who must be natural-born British subjects and the sons of fathers also natural-born British subjects, must be *not less than Fifteen nor more than Seventeen years of age on the first day of August in the year in which they are examined.** Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Admiralty on these points.

* Candidates whose fifteenth birthday anniversary falls on 1st August will be eligible, but those whose seventeenth birthday anniversary falls on 1st August will not be eligible.

5. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer. His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

The Medical examination of the Successful Candidates will be held as soon as possible after the result of the Educational examination is known.

Candidates will be medically examined at the Royal Naval Rendezvous, 7 Whitehall Place, London, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical Examination cannot produce Certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, must be re vaccinated before they can be considered eligible for entry.

6. The Educational Examination will be held by the Civil Service Commissioners in London, Edinburgh, Aberdeen, Glasgow and Dublin, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. A fee of 5s. 0d. will be required from each Candidate attending the Examination.

7. The *Subjects* of Examination and the maximum number of marks obtainable in each subject are as follows:—

English includes Handwriting, Spelling, Composition and Literature. The test in Literature will consist of questions upon a book or books prescribed from time to time by the Civil Service Commissioners.* The questions will require merely intelligent reading and not detailed study of the book. Handwriting and Spelling will be taken into account in the assignment of marks in English and other subjects, but for Handwriting a separate test will also be set.

8. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

9. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 7 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

10. Apprentices will be bound by indentures to serve for five years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the indenture for the support, &c., of the Apprentice during his apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 13.

11. Provided their character and conduct are satisfactory, and that they have made such progress in their trades and in the educational subjects prescribed for Dockyard Apprentices as to render them efficient workmen, Apprentices will be entered as Journeymen on the expiration of the probationary period following the completion of the period of apprenticeship, and after any time lost by absenting has been made up; and subject to their services being satisfactory they will in ordinary circumstances be retained for a period of two years, and eventually be merged with the general body of hired workmen in the respective trades.

12. The pay of Apprentices serving in the Dockyards is as follows:—

	s.	d.	
First year	6	0	a week
Second year	8	0	"
Third year	10	0	"
Fourth year	14	0	"
Fifth year	20	0	"

On completion of the five years' apprenticeship, Apprentices will be entered as Probationers on a probationary rate of 30s. a week, and advancement to the full mechanics' rating and rate of wages will be at the discretion of the Local Officers according to the circumstances in each case.

War increases are at present paid in addition to wages stated.

13. Board Wages will be allowed to Apprentices only in special cases of distress, and when the distress is due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty; when granted, board wages will make the total weekly pay up to 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

N.B.—The foregoing regulations relate primarily to apprenticeships in the shipbuilding, and mechanical and electrical engineering departments of the Dockyards, but will also be adhered to as far as practicable in respect to apprenticeships in the Naval Ordnance and Naval Works' Departments. These regulations will be followed generally; but they are issued for information only and are subject to such modifications as My Lords may from time to time consider desirable.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years except Commissioned Officers from Warrant Rank, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if he had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant-Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical or Dental Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(*a*) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(*b*) Lieutenants, Engineer Lieutenants and Shipwright Lieutenants promoted to that rank from Commissioned Officers from Warrant Rank or Warrant Officer.

The Widow of a Mate, Commissioned Officer from Warrant Rank, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (I.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (II.) Commissioned Officers from Warrant Rank retired after 1st April 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief and Paymaster Captains who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymaster Captains on the Active List.

The same rate may also be awarded to the widow of Paymaster Commanders who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster Captain on retirement.

16. *Widows of Marine Officers.*

(*a*) *Officers retired before* 29 *June*, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the case of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widow eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; but if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in the ranks amounts to the period required in the case of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(*b*) *Officers retired after* 29 *June*, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.* Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, that is fight with the enemy, pirates, or smugglers, or in repelling counters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz.:—

I. To a Widow, a Gratuity equal to a year's Full Pay of the rank which her husband held at the time of his death.

II. To each Orphan (who shall not be married, or be above the prescribed limit of age), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full-pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

30. Widows, Children, and other relatives or Officers who may have been granted temporary Commissions, or have held acting appointments, together with relatives of Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy

In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to retain their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

PENSIONS TO SEAMEN AND MARINES.

The following information, extracted from the Regulations as to Pensions, is published for information, but it must be understood that all pensions, &c., are given at the discretion of the Admiralty, or, in the case of Disablement or Injury Pensions, administered by the Ministry of Pensions, of the Minister of Pensions, and that no man has any right to pension on account of apparent eligibility under the rules herein published.

NAVAL PENSIONS.

Long Service Pensions are granted to Continuous Service Men and Officer's Stewards and Cooks after 22 years' service from the age of 18; to Royal Marines after 21 years' service from the age of 18; to other Men after 22 years' service from the age of 20.

The following scale is adopted in awarding the *ordinary* Amount of Long Service Pensions to Petty Officers and Seamen of the Fleet and to Royal Marines:—

	s.	d.	
1. Men to whom only the Ordinary Pension is awarded	0	1½	a day for each year of service.
2. For each good conduct badge (up to a maximum of 3d.)	0	1	a day In addition.
3. Men whose character for the whole period of their service is recorded as "*very good*"	0	1	.. In addition.
4. Men to whom the Good Conduct Medal is awarded	0	2	.. In addition.
5. For each year of pensionable service after completing time for Pension	0	1½	a day.
Petty Officers, in addition to the Rates of Pension awarded them as seamen, are allowed *for each year's service* in the capacity of *superior* Petty Officer	15	2	a year.†
Inferior ditto ("Second Class Petty Officer" or a rating ranking as Leading Seaman.)	7	7	a year.†
Chief Petty Officers are granted in addition, for each year served in that capacity subsequent to the completion of the first period of Continuous Engagement ..	15	2	a year.

The system on which Naval and Marine Pensions are based is the same. Colour-Sergeants and equivalent ranks count time as Chief Petty Officers; Sergeants as Petty Officers; Corporals and also Gunners, Privates, Musicians and Buglers, after five years' service on the recognized establishment of a divisional or depôt band, as Leading Seamen; other Marines as Able Seamen.

Where a man has received an injury on duty not incapacitating him for service, a small addition can be made to his long-service pension, or a gratuity may be awarded.

The time during which a man may have borne an indifferent or bad character is forfeited.

Men discharged the Service on account of injuries and wounds attributable to the Service, but not due to the Great War, receive compensation in the form of pensions either for life or for a limited period, or gratuities, at the discretion of the Admiralty, according to the following scales:—

The compensation is based on length of service and degree of disablement, and when a pension is admissible, will include the usual additions for rank, good conduct badges and medal.

Service Element.

(a) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

† These rates are doubled for Petty Time with very good character in the case of continuous service Petty Officers, provided they shall have served for one continuous period of not less than TEN YEARS, and shall be discharged to pension from continuous service with the rating of Petty Officers, or with a rating ranking as Leading Seaman.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

If qualified for the award of a long service pension, 1½d. a day for each complete year of pensionable service.

(b) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension are eligible for the grant of a gratuity not exceeding £2 for each completed year of pensionable service.

Disablement Element.

(a) *Pensions.*—Where the degree of disablement is assessed at 20 per cent. and upwards, pensions may be awarded either temporarily, or permanently according to the circumstances of the case, on the basis of a maximum scale of 32s. 6d. per week for total disablement (100 per cent.), lower degrees of disablement carrying proportionately reduced rates.

(b) *Gratuities.*—If the degree of disablement is assessed at less than 20 per cent., a gratuity appropriate to the degree of disability, but not exceeding a maximum of £100, may be awarded. Gratuities may also be granted in respect of slight permanent injury due to the Service for which a Hurt Certificate was granted, when discharge is found unconnected with the injury, and the pensionable gratuity awarded is based on length of service.

Rank Element.

This element comprises the allowance for part time as laid down in Articles 1938, Clause 1, to 1951, Clause 1, of the King's Regulations and Admiralty Instructions, and the usual additions for good conduct badges and medal as allowed under the Long Service Scale.

Method of Combining the Service, Disablement and Rank Elements.

Men eligible for pensions in respect of both the Service and Disablement Elements will be granted the larger amount in full, and one half of the other; the total so arrived at will be increased by the addition of the Rank Element.

Men eligible for a pension in respect of the Service Element and for a gratuity on the ground of Disablement, or vice versa, will have their pensions assessed on the appropriate Service or Disablement scale, plus the Rank Element, and will receive payment in full, in addition to the Disablement or Service gratuity appropriate to their case.

Men eligible for gratuities only in respect of both the Service and the Disablement Elements will receive payment in full.

Scale of Pensions and Gratuities Allowed when the Cause of Invaliding is NOT Attributable to the Service.

The compensation is based on length of service and, when a pension is admissible, will include the usual allowances for rank, good conduct badges and medal.

(a) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a Long Service Pension, 1½d. a day for each complete year of pensionable service.

The usual additions will be made for good conduct badges and medal as allowed under the Long Service Scale and for petty time as laid down in Articles 1938, Clause 1, and 1939, Clause 6, of the King's Regulations and Admiralty Instructions.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

Digitized by Google

(b) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension will be eligible for the grant of a gratuity of £2, plus an additional 10s for each ten degrees of disability in excess of 20 per cent. in respect of each completed year of service.

The foregoing scales are applicable to the persons referred to in Articles 1126 and 1231, Clause 1, of the King's Regulations and Admiralty Instructions, with the exception of those excluded, as regards non-attributable disabilities, by Article 336, provided that the wound or injury or disability is not due to negligence or misconduct on the part of the man, or to his want of proper care. In the latter cases, pension or gratuity may be withheld at Admiralty discretion, or awarded at such reduced rate as may be thought fit.

The disability scales will be subject to reduction at the discretion of the Admiralty in the event of the cost of living falling considerably below its present level. Such reduction, if made, will apply to all such pensions which are being drawn at the date of reduction, as well as to future grants.

Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these Regulations, and where he receives compensation from or on behalf of the person alleged to be responsible for the act or omission which caused the injury, any such compensation may be taken into consideration in assessing any pension, allowance, or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled accordingly.

A Seaman discharged as medically unfit, such unfitness being either attributable to or aggravated by service during the Great War, and not being due to his serious negligence or misconduct, may be granted by the Ministry of Pensions a minimum pension at the rates shown in the Schedule on next column, or, in the case of injury not shown therein, or of disease, at the rate which is estimated to represent the extent of his disablement.

The allowances for Badges, Medal and Petty Time are given as in the case of Long Service Pensions, and an additional allowance is given for service as follows:—

	s. d.	
Men of 6 years' service and under 12 years	1 0	a week.

Men of 21 years' service and under 25 years	4 0	,,
Men of 25 years' service and over	5 0	,,

Additions are made for children under the age of 16 at such proportion of the following weekly rates as corresponds to the degree of disablement at which the man is assessed for pension:—

	s. d.	
For a first child . .	6 8	a week.
,, second child . . .	5 0	,,
For each child after the second	4 2	,,

Special allowances may be given in cases in which treatment in a Sanatorium or other Institution, or training in a Technical Institution or otherwise, is deemed advisable, or in which the constant attendance of a second person is necessary.

REGULATIONS RESPECTING THE

LONG SERVICE AND GOOD CONDUCT MEDAL

FOR

THE ROYAL NAVAL RESERVE.

1. The Medal may be granted to all men enrolled for the first time in the Royal Naval Reserve on and after the 1st April, 1906, who satisfactorily complete 15 years' service with the requisite periods of Naval Training and have entered their final period of service, provided their character has never been assessed below "very good" during such training or actual service.

2. The Medal may also be granted to all other Royal Naval Reserve men who have satisfactorily completed 15 years' service with the drill or training required during that period provided they entered for the final period of service, and that their character has never been assessed below "very good" during such training or actual service.

3. To entitle a man of the Royal Naval Reserve to a Medal, he must have been recommended for the award by the Registrar General of Shipping and Seamen.

4. Time served in the Royal Navy will not be allowed to count towards the 15 years' service required; but, as regards Royal Naval Reserve men transferred to the Coast Guard, time served in that Force will be allowed to count in cases where the Naval Long Service and Good Conduct Medal is not awarded.

5. Men who belonged to the R.N.R on the 4th August, 1914 may be allowed to count mobilised time from that date to the date of dispersal, as double for the purpose of reckoning eligibility for this Medal.

6. Those serving as above who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval engagements, T. 124 and its variants), or the Army or Royal Air Force, may similarly count such war service as double time.

7. The requirements in clauses (1) and (2) that the fourth period of enrolment must have been entered, are abrogated in the case of those coming under the foregoing concessions (clauses (5) and (6)).

8. Men who have been granted the R.N.R. Long Service and Good Conduct Medal, and who have served for a further period which would have again qualified them for an award of a medal, may be awarded a clasp to the original medal.

9. The Medal may be granted to a Commissioned Officer who has served as a Warrant Officer, Petty Officer or man in the R.N.R., on completion of 15 years' combined service, but time reckoning for the Medal cannot also be counted for the Reserve Decoration.

10. The form of application (R.V. 74) which provides for a record and certificate of efficient service should be submitted by the Registrar of Royal Naval Reserve of the man's Home Port to the Registrar-General, who will complete and forward the same to the Admiral Commanding Coast Guard and Reserves, who will determine the validity, or otherwise, of any claim for the Medal.

11. When the conduct of a member after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding. The deprivation will be reported to the Admiralty.

12. When the conduct of any man after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding. The deprivation will be reported to the Admiralty.

13 A minimum period of three years' "V.G" conduct is required for restoration of the Medal, and a medal which has been forfeited for misconduct may be restored on the man's discharge from the Reserve at the discretion of the Admiral Commanding, provided the above condition has been fulfilled. Should the man, however, complete five years' "V.G." conduct before he is discharged, the Medal may be restored on completion of that period under Article 778, clause 7, King's Regulations, at the discretion of the Admiral Commanding.

14. When it is desired to replace a Medal which has been accidentally lost, the man to whom the Medal belonged must make a declaration before a Magistrate (or Registrar of Royal Naval Reserve) stating the circumstances in which the loss occurred, together with his rank, name, and R.V. 2 number. This declaration will be sent to the Admiralty through the Registrar General, and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

Admiralty.

NOTE.—Chief Skippers, Skippers, Commissioned Engineers and Warrant Engineers are eligible for the above Medal on the completion of 15 years' combined service as an officer and man.

And whereas by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the decoration, and certain amendments were made to the Rules and Ordinances attaching hereto.

And whereas We deem it expedient that the said Warrant and subsequent Warrants before referred to, as also the Rules and Ordinances affecting the same, shall be consolidated, varied and extended.

Now, therefore, We do hereby declare that the said Warrants, and the Rules and Ordinances heretofore in force for the Government of the said Decoration, shall for that purpose be amended, varied, modified and extended; and in substitution thereof We by these presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following Rules and Ordinances for the Government of the same which shall from henceforth be inviolably observed and kept:—

GOOD CONDUCT MEDAL AND GRATUITY.

NOTE.—The revised regulations governing the award of Good Conduct Medals and Gratuities to Seamen and Marines will be promulgated as early as practicable. The principal alterations have reference to Gratuity, provision having been made for the payment of a Good Conduct Gratuity of £20 at the time of award of the Medal to Continuous Service Seamen, Officers' Stewards and Cooks, and Marines, irrespective of rank, serving in the Royal Navy or Royal Marines on and after the 1st May, 1919, and not pensioned as from a prior date.

As from the date of the award of the Medal, an additional gratuity can also be earned at the rate of £1 a year for each complete year of subsequent qualifying service with V.G. character, the amount so accruing being paid in a lump sum on promotion to *confirmed* Warrant Rank, or on discharge to pension.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a.*) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(*b.*) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(*c.*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (*b*), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity —

(*a.*) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension.

(b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 828 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (*a*).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he as served since the Medal was awarded or restored.

For each year's service in the following ratings after the date of the award of the Medal, will be added—

,, 2nd Class Petty Officer (O8) and men of Leading Seaman rank, with over 3 years' service as such*	1 0 0
,, Leading Seaman, except as above ..	0 10 0

until the maximum is reached, which will be, for—

	£ s. d.
Chief Petty Officer, Petty Officer (N8) and 1st Class Petty Officer (O8) ..	15 0 0
2nd Class Petty Officer (O8) and men of Leading Seaman rank, with over 3 years' service as such*	10 0 0
Leading Seaman, except as above ..	7 10 0
Able Seaman	5 0 0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the man becoming eligible for the award.

9. If a man is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.* will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of his full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible to

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G.' column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239*a*).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1934, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. 24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

REGULATIONS FOR OFFICERS ON RESERVED OR RETIRED LISTS WHEN CALLED OUT OR UNDER TRAINING.

(Orders-in-Council, 8th March, 1895, 12th November, 1900, 16th May, 1904, 5th March, 1910, 5th July, 1911, 3rd Feb., 1915, and 15th Feb., 1916.)

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. Officers promoted on, or subsequently to retirement, will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Retired List does not count for increases of full pay governed by seniority.

2. Officers on the Retired, Pension, or Reserve Lists of the Navy, when called out for service in time of war or emergency will receive a bonus of twenty-five per cent. for every pound of the full pay of their rank earned by them, exclusive of allowances. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

6. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank. It will carry with it during re-employment the emoluments of the higher rank.

When employed on combatant duties.

Flag Officers, Commodores and Officers of the same relative rank .. .. £

In the cases of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity. Such periods of training will not reckon as time for increase of full or retired pay.

9. In the event of the death of an Officer re-employed under these regulations, from causes attributable to the service, pension and compassionate allowances will be granted to his widow and children on the special scale applicable to the rank held by the Officer at the time of his death, irrespectively of whether his marriage took place when on the active or retired list, always subject to the operation of the Commutation Acts of 1871 and 1901 under which a proportionate reduction must be made in the amounts of the pension or compassionate allowances awarded to a widow married or children born after the Officer has wholly or partially commuted his retired pay.—(O.-in-C., 10th August, 1908.)

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, 11th February, 1913, 5th July 1918, 7th February, 1921 and 10th August, 1921).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, or pension, when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

When employed on combatant duties.	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank..	30
Sub-Lieutenants and Officers of corresponding relative rank	25
When employed on non-combatant duties.	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (e.g. during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive an allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£ s. d.
To all Officers below the rank of Lieutenant	9 0 0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	13 10 0
To Commanders or Officers of corresponding rank	14 10 0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

(a) The pay is the same as would be given if called out during war or emergency, except the Bonus.

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

(d) Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

Digitized by Google

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment whichmay take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

Officers on the Emergency List are not eligible for promotion when not employed, except as stated below:—

Sub-Lieutenants are eligible, at the discretion of the Admiralty, for promotion to the rank of Lieutenant after attaining three years' seniority or on completion of two years' service after being "called out," including service prior to resignation, whichever is the earlier date.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

Acting Lieutenants (ex Mates) who have not completed their courses for the rank of Lieutenant to be eligible for confirmation with their Acting seniority.

Mates to be eligible for promotion to the confirmed rank of Lieutenant as from the dates that they would normally have been due for the latter rank had they remained on the Active List (*i.e.* between 2 and 2½ years seniority as Mate) provided that to be eligible for promotion before attaining three years seniority as Mate, Officers must have —

(1) Served not less than two years as Mate.

(2) Obtained a Watchkeeping Certificate.

(3) been recommended for promotion before retirement.

Mates (E) on the Emergency List who were promoted under normal Regulations are eligible for promotion to the rank of Engineer Lieutenant as from the dates they would have been due normally for that advancement on the Active List, provided that, to be eligible for this promotion before attaining three years' seniority as Mate (E), Officers must have

(a) served not less than two years as Mate (E) on the Active List,

(b) been recommended or promotion before retirement.

Acting Engineer Lieutenants promoted to that rank from Mate (E) under the special War regulations laid down in King's Regulations and Admiralty Instructions, Appendix X, Part V, Section 1, and placed on the Emergency List as Acting Engineer Lieutenants, are eligible for confirmation in the rank of Engineer Lieutenant, with their Acting seniority, on completing one year's seniority in the Acting rank.

Instructor Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Instructor Lieutenant-Commander on attaining six years' seniority.

Surgeon Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Surgeon Lieutenant-Commander on attaining six years seniority if they be recommended by the Director General of the Medical Department of the Navy and have served two years at sea.

Paymaster Sub-Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Paymaster-Lieutenant:—

(a) On completion of two years' service after being called out, including service prior to resignation or

(b) on attaining three years' seniority, whichever is the earlier date.

Paymaster-Lieutenants placed on the Emergency List subsequently to 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Paymaster Lieutenant-Commander on attaining 8 years' seniority if their records are satisfactory, subject to their having passed the necessary examination for the corresponding rank on the Active List where required to do so by the Regulations.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 2041.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count such service which they were entitled to count when on the Supplementary List.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For TABLE, *see* p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, apply for the purpose, they will not override the precedency which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which Instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Indian Marine, Royal Naval Reserve, and Royal Naval Volunteer Reserve rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.I.M., Lieutenants R.I.M. before Lieutenants R.N.R., Lieutenants R.N.R. before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Lieutenants R.N., whatever their seniority may be.

2. Officers holding acting rank, rank immediately after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.N. (confirmed).

3. Lieutenant-Commanders R.N.R. are, however, subject to certain restrictions as regards the exercise of executive authority (*see* page [illegible]).

4. Royal Naval Volunteer Reserve Officers are not to assume any Naval command or authority whatsoever, unless ordered to do so, by a superior Naval Officer. (Art. 172 K.R. & I.)

PRIZE MONEY.

GEORGE, R.I.

Whereas Her Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th September, 1900, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, &c.:

And whereas by an Order in Council, dated the 28th August, 1914, We were pleased to cancel the system of distribution described in the above-mentioned Proclamation as regards Prizes captured from the enemy, and to declare that in lieu thereof it was intended to substitute a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Our Naval Forces: .

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives:

Given at Our Court at Buckingham Palace, this Fifteenth day of August, in the year of our Lord One thousand nine hundred and eighteen, and in the Ninth year of Our Reign.

GOD SAVE THE KING.

REGULATING THE DISTRIBUTION OF PRIZE MONEY TO THE FLEET.

GEORGE R.I.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of Our Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

And whereas We were pleased by Our Proclamation of the 15th August, 1918, to order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the said distribution shall be made in the shares and proportions hereafter mentioned at such time as the Admiralty may determine to the members of Our Naval and Marine Forces as aforesaid who have during the present War performed service at Sea in Our Ships and Vessels of War in accordance with the following Regulations or in case of their death to their representatives:—

1. Service at sea shall be defined as having been borne for service at sea on the books of a seagoing Ship of War which goes to sea or on the books of a parent Ship for service in armed seagoing tenders.

2. Offensively Armed Auxiliary Vessels serving with Our Fleet shall be deemed Ships of War including Armed Boarding Vessels, Trawlers, Drifters, and Vessels of the Auxiliary Patrol.

3. In any case of difficulty the Lords Commissioners of the Admiralty are empowered to determine what Vessels or Classes of Vessels shall be regarded as Ships of War for the purposes of the distribution and what nature of service afloat shall be considered as sea service and harbour service respectively.

4. As regards Our Royal Naval Air Service, training Pilots and Observers, the crews of Our Naval Airships and others who have had to fly continuously at sea shall, while borne on the books of one of Our Ships and attached to a Naval Air Station, be considered to have been performing service at sea. But no service at a Training Establishment or while employed on shore for service with Our Army or the Armies of any of Our Allies shall be so considered.

5. Participation at the full rate shall be allowed to each individual Officer and Man who has performed service at sea as above defined for a period of not less than 30 months between the 4th August, 1914, and 11th November, 1918, or such later date as may be fixed by the Lords Commissioners of the Admiralty, to cover the cases of Officers and Men taking part in subsequent hostilities at sea. For lesser periods the rate shall be proportionate to the number of months so served, one month to be the minimum period of service at sea to qualify for participation, and final broken periods of 15 days or more to count as one month, but no one who shall be qualified to participate in the distribution shall be allotted a less amount than £1.

6. The maximum rates which could have been earned to be allowed, irrespective of actual time served at sea, in all cases in which, before completion of the qualifying period, Officers and Men lose their lives in action or by other casualty whilst on service at sea, or either die, are invalided, or are certified as medically fit for shore service only, as a result of wounds or injuries so received.

7. A similar rate to be allowed in all cases in which Officers and Men die or are invalided on account of disease attributable to the Service, provided that at least ten months of the qualifying period has been served.

8. Prisoners of War captured, under circumstances which cast no reflection on themselves, whilst serving afloat or disembarked from seagoing Ships of War for operations on shore, shall receive the maximum rate which could have been earned, irrespective of the time served at sea.

The cases of individuals interned in Neutral Countries shall be decided by the Lords Commissioners of the Admiralty.

9. Each individual shall be allotted the number of shares, according to the scale appended, due to the rank or rating in which he has served at sea, and if in more than one the number due to the higher, provided that such rank or rating has been held during service at sea for at least six months (including paid acting time), and that any subsequent reduction or reversion has not been due to misconduct.

10. Commodores and other Officers serving as Chief of Staff or Captains of the Fleet shall share as if they were in command of a Squadron or Ship.

11. The Officers in command of Motor Boats and Launches shall receive the shares of Officers of their rank not in command.

12. All persons temporarily employed in Our Naval Forces shall share in the classes to which the ranks or ratings to which they are temporarily appointed may belong or be deemed equivalent.

13. Supernumerary Officers and Men doing duty on Our Ships and Vessels of War shall share according to the Ranks which they hold in the Service.

14. No person who has incurred forfeiture of Prize Money under the Naval Discipline Act, or who is discharged from the Service for misconduct, shall be entitled to share.

15. In the event of any difficulty arising with respect to any of these Regulations, or if any case should occur not herein provided for, the Lords Commissioners of the Admiralty shall be competent to issue such directions thereon as may appear just and expedient.

The distribution is to be made so that each Officer and Rating entitled to participate shall receive shares according to his class as set forth in the following scales—the relative ranks mentioned being those laid down in the Regulations and Instructions for the government of Our Naval Service, the Instructions for the government of the Coast Guard Service and the Regulations for the government of the various classes of the Reserve, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty:—

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing n poverty and vicious in morals.

In the Female Orphan Home there are 140 girls entirely dependent on the funds of the harity (eligible for admission between the ages of seven and eleven years) who are maintained, lothed, and educated; there are in addition 23 girls partially maintained by Greenwich Hospital unds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from to 7 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial train- ng to qualify them for domestic service and such other occupations as the Directors from time to ime deem advisable. A few girls will join the Secondary School for further teaching, and some re attending the Higher Education Classes outside the Home.

There are 44 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley n Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The umber of children they can receive depends upon the amount of their Funds. They therefore onfidently appeal to the charitable for help in carrying on and extending these works of sefulness, and rescuing from want and misery the fatherless children of those who have served heir country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by orm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection om 11 a.m. till 3 p.m., Saturdays excepted.

Every effort is made to secure good situations for the rls on leaving the Home.

If any girl shews a particular aptitude for special work outside domestic service she is given her ance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary chool, at the expense of the Funds, have been instituted.

On 31st December, 1918, 43 girls were maintained in the Home and 2 at the Royal Sailors' Orphan irls' Home, Hampstead; 6 of these girls are partially maintained by Greenwich Hospital Funds. n addition, 19 boys were maintained at Swanley and other Homes.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund has been settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. Dr. Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

It is estimated that the Fund will produce an annual free income of about £1,000.

The Trustees are Sir JOHN STRUTHERS, K.C.B., Scotch Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Mr. E. H. F. BRADBY, Solicitor, London, and Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from the cessation of hostilities in the present War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and it is not their present intention to lay down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases from officers commanding military units, and from others interested.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh,

May, 1918.
